Duration of NAEP Assessment

- ▶ The NAEP assessment lasts 120 minutes. This includes start time until students are released from the test.
- ▶ The assessments occurs in one day. There will be two consecutive sessions. Each assessment will consist of 25 students on a computer and 12 paper and pencil tests.
- ▶ Accommodations are the same as SAGE accommodations.

Testing Window

- ▶ The NAEP assessment window will be: January 30th to March 10, 2016.
 - ▶ Your schools and districts have already been notified if they were selected.
 - ▶ If you do not know if your district/schools are selected please talk with me after my presentation.

Subjects to be assessed 2017- Grade 4

- ▶ NAEP: Mathematics, Reading, Writing (both DBA and paper pencil)
 - ▶ State results for Math and Reading
 - ▶ National results for Math, Reading, Writing.

Subjects to be assessed 2017- Grade 8

- ▶ NAEP: Mathematics, Reading, Writing, Civics, Geography, US History (both DBA and paper pencil).
 - ▶ State results for Math and Reading.
 - ▶ National results for Math, Reading, and Writing.

How you can help

- ▶ When schools have questions you can direct them to me.
- ▶ When I notify you that schools haven't completed their required tasks, you can contact them and request that they complete the task or contact me for help.
- ▶ Always feel free to contact me with any questions.
